Dynamic Ocean Cargo Insurance

Danube
Dynamic Ocean
Cargo Insurance

Smart ocean cargo insurance—in minutes.

Many insurance carriers have adopted minimum premiums or pushed large rate increases, and businesses are struggling to find cost-effective annual policies as a result.

AI-powered Danube Dynamic Ocean Cargo Insurance is the answer—delivering an annualized ocean cargo product with a pathway toward system integrations and adjustable policy premiums.

About

What Is It?

- All-risk coverage for goods and merchandise in transit
- Up to \$10M in international conveyance limits for goods in transit and \$10M in domestic conveyance limits
- No minimum premium
- Worldwide territory offering
- Door-to-door protection from physical loss or damage—including General Average, loading and unloading damage, Acts of God, and civil commotion risks

Target Classes

Small to mid-sized enterprises including:

- Importers
- Exporters
- Manufacturers
- Distributors
- Retailers

Risk Appetite

- Preferred commodities include: containerized cargoes, general merchandise (apparel, retail consumer goods, shelf table food products, etc), equipment, and parts
- Risks typically outside the Loadsure appetite include: automobiles, cash/ financial instruments, luxury goods including precious gems/minerals, live animals, mobile phones, ammunition/firearms/explosives, and mining/coal-related products
- Coverage for select, hard-to-place risks available

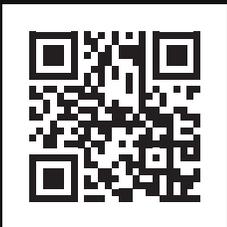

Key Benefits

- Speed to quote with a nearly instant turnaround time
- Digitizes the intake and issuance of policy documents
- Competitive premiums driven by a dynamic rating model
- Long term real-time visibility into account performance
- Flexible payment terms—annual, quarterly, or monthly
